All information copyright ERIC PREDOEHL & LOUIELOUIE.NET. This list would not be possible without the help of Stretch Riedle, Theo deGrood, Clay Stabler, Frank Luft, Doc Pelzel, Andy Martello, Phil Milstein, Jesse Block, Jeff Miller, Dave Marsh, Gerry Fialka, and many people that have truly helped expand this LOUIE-database. My thanks to all involved! This list is not complete, as one could never do a completely comprehensive inventory of "LOUIE LOUIE" recordings, or water drops, for that matter. This list-in-progress needs corrections, specifically info on: DUPLICATES, and RECORD LABEL INFO. Some of these recordings I've never even heard, and could very well be mere rumors, but I've done my best to substantiate everything on this list.

My thanks to all involved! This list is not complete, as one could never do a completely comprehensive inventory of "LOUIE LOUIE" recordings, or water drops, for that matter. This list-in-progress needs corrections, specifically info on: DUPLICATES, and RECORD LABEL INFO. This list would not be possible without the help of Stretch Riedle, Theo deGrood, Clay Stabler, Frank Luft, Doc Pelzel, Andy Martello, Phil Milstein, Jesse Block, Jeff Miller, Dave Marsh, Gerry Fialka, and many people that have truly helped expand this LOUIE-database. My thanks to all involved! This list is not complete, as one could never do a completely comprehensive inventory of "LOUIE LOUIE" recordings, or water drops, for that matter. This list-in-progress needs corrections, specifically info on: DUPLICATES, and RECORD LABEL INFO. Some of these recordings I've never even heard, and could very well be mere rumors, but I've done my best to substantiate everything on this list.

My thanks to all involved! This list is not complete, as one could never do a completely comprehensive inventory of "LOUIE LOUIE" recordings, or water drops, for that matter. This list-in-progress needs corrections, specifically info on: DUPLICATES, and RECORD LABEL INFO. Some of these recordings I've never even heard, and could very well be mere rumors, but I've done my best to substantiate everything on this list.

Nonetheless, your feedback and additions are greatly appreciated, and we encourage you to send email to:

My thanks to all involved! This list is not complete, as one could never do a completely comprehensive inventory of "LOUIE LOUIE" recordings, or water drops, for that matter. This list-in-progress needs corrections, specifically info on: DUPLICATES, and RECORD LABEL INFO. Some of these recordings I've never even heard, and could very well be mere rumors, but I've done my best to substantiate everything on this list.
